Recovery Dharma Global (Buddhism Based) https://recoverydharma.org
About: Recovery Dharma is a peer-led movement and community that is unified by our trust in the potential of each of us to recover and find freedom from the suffering of addiction. We believe that the traditional Buddhist teachings, often referred to as the Dharma, offer a powerful approach to healing from addiction and living a life of true freedom.
Recovery Dharma is founded on, and inspired by, Buddhism that originated in India and later on flourished in other regions of Asia (e.g., South Asia, East Asia, Southeast Asia, Central Asia). We deeply appreciate the Buddhist heritage that was protected and freely offered by the ancestors of these cultures.

Employment

According to careeronestop.org it is recommended that individuals undergoing the job search process have a form of identification and a resume. To increase hiring chances, it is also recommended that individuals seek out job skills training, resume and cover letter writing training, and other forms of professional development. Fortunately, there are agencies that can assist in this process like those listed below.
